

# NON-DISCLOSURE AGREEMENT

---

## THE UNDEFINED RELATIONSHIP

During these discussions, either party may share certain proprietary information. Therefore, considering the promises and covenants both sides agree that they will not share confidential information. It should be non-disclosure.

Writing this is not easy for me, but after careful thought and consideration, I feel it is important to communicate my feelings openly and honestly.

Over the course of our relationship, we have shared meaningful moments that I will somehow remember. However, I believe that our paths are no longer aligned in the way they once were. This is not a reflection of your character but rather my circumstances and my attention span.

I deeply value and respect you as a person, and I am grateful for the time and energy you have shown me throughout time we spend together. This decision was not made lightly or in haste. I've spent a lot of time considering what's best for both of us, and I believe it's important to be honest with ourselves and each other. However, I believe that parting ways is the healthiest choice for us.

### NOTE:

- I assure you that you will not face any trouble from my side.
- I guarantee to keep things we have made very personal and private.
- Expecting the same from your side.

Look dear, as I said before I'm not that emotional bug or your permanent one, hope you saw me in that way. And this is the time where it come to an end. Hope you enjoyed the time we spent together. Once again, I want to assure you that you will not get any trouble from my side, now or in the future. You don't need to worry about that. Take care of yourself, and know that I am rooting for your happiness, always.
